VISITING FIREMAN

Even though the deadline to have your listing in the Visiting Fireman, it is not too late to order a copy for yourself. This book has gone to a two year production schedule now, instead of the annual publication that we had enjoyed.

It contains many listings of persons, places and things of interest to those who travel a bit. Many of the multitude of museums are listed also.

The cost for this book is only \$17.50. You can order one by contacting:

Visiting Fireman
N6271 Paradise Drive
Burlington WI 53015
262-763-6253

They also accept Visa and Mastercard. Order soon for your copy.

FEBRUARY MEETING

The February meeting will be at Ralph Schomp's BMW location at 1190 Plum Valley Lane

Highlands Ranch. This is just between C-470 and County Line Road, on Lucent Blvd.

Meeting time will be the usual 7PM. Most of the rest of the meetings before the convention will be at this location.

This meeting will focus on the upcoming national convention. Updating plans and making sure that all is in place, or soon to be in place.

The muster chairman will be looking for volunteers for the various groups to make the convention a success.

MEETING LOCATION

Due to the proximity of Ralph Schomp's BMW location to the site of the summer convention, the meetings from February to June will be at that location. Note the address in the above meeting notice, that is where we'll be for the next six months.

It will allow us to check out the hotel, the parking areas, and the college with ease. All of these venues are close to the BMW shop, so will facilitate our getting things both in our minds, and on the drawing board.

Ordway fire, where two firefighters lost their lives.
