NOZZLEMAN'S SPRAY

Here we are into 2010, and that means that only six months left until we host a large bunch of folks here to the National Convention. We have a lot of work ahead of us, but if everyone will pitch in, it won't mean a terrible load for any one person.

Note that on the web site there is a copy of the registration pages, and the tour description page also. We apologize for the colors of the link after you've clicked on it once, but will work on that soon. Also, note that there is not a word about going to the Molly Brown house. That was to be a little lagniappe for our ladies, but we may have to include it in the descripton later.

PLEASE let the chapter secretary know about any change of address, or your e-mail changing. It is discouraging to mail things out, and have them come back "addressee unknown."

MEETING MINUTES

Not available at press time

Remember, there are decals with our logo on them for sale at each of the meetings.

BRIGHTON PARADE OF LIGHTS

MHHL took the first place in the Brighton parade, thanks to lots of work and lights. This is Darren's truck out fitted to go. Garry Aranda was also in the parade, but we don't have any photos of his rig from this year.

SIGHTINGS

Dinosaur Colorado at intersection of US 40 and CO 64; displayed inside a glass sided garage in roadside town park; 1938 Dodge, lettered Artesia #2. Not restored, but in very good original condition. Keys are in the ignition, so I assume it runs and occasionally gets out in the fresh air.

Think any of those area ranchers might have a trailer to schlep this rig to Littleton in June??

INVENTORY CHANGE

Chad Christensen's "new" rig. More details later.

2010 NATIONAL CONVENTION INFO

Registration forms are now available on the web site. Also, a listing of the tours that will be offered are there too.

We do have a few registrations so far, but expect that the preponderance of them will be coming in later in May.

Have checked with the Hilton, and they also have a few reservations for rooms.

For those out of town folks, you can make reservations at the Hilton by following this link.

<http://hiltongardeninn.hilton.com/en/gi/groups/personalized/DENSWGI-MHH-20100612/index.jhtml> This URL will be on the web site by the time you read this, hopefully.

This will help us track all room reservations, and tie them to the convention reservations to make sure that all is well.

DEADLINE FOR FEBRUARY ISSUE

Deadline will be January 25th. Feel free to snail mail, or e-mail articles or photos, or any info to the editor.

JANUARY MEETING

The January meeting will be on the 6th of January 2010. Meeting location is Southwest Adams County station #1. It is located at 3365 W 65th Ave. just west of Federal Blvd.

The meeting will start at 7PM as usual.

This meeting will be election of officers for the 2010 year. This election will be one of the most important, as these folks will be the ones to lead us into the summer national convention, along with our muster chairmen.

Dues for the 2010 year will be collected for those who have not paid them yet.

Also, watch for the always exciting auction of valuable goodies.

MARK GORMAN AWARDED DAVE DOLLARHIDE AWARD

Jamie Markham presenting the Dave Dollarhide award to Mark Gorman.

Mark has been our liason between the chapter and Littleton Fire, for many years. He has made it possible for many of the goodies at our auctions. And he has led the annual parade with Littleton's Federal truck, the first motorized fire truck in the city of Littleton.
